## **GOT AN INSTALLATION JOB COMING UP? TIRED OF HIGH PRICES WITH LOW QUALITY & SERVICE?**

K&S Erectors is the premier Paint booth, Prep-Station and Equipment Installation Company in your area. We have been doing Installation work for over 15 years and we continue to prove we are the best installation contractor around. As a company built on family values K&S Erectors knows how important it is for your shop's production to be impacted as little as possible during a new installation. That is why we only hire the most professional and highly skilled Installers in the industry!

We know how important it is for the job to be done correctly which is why we treat your business like it is our own. We employ our own installation crews; they have been rigorously screened for knowledge, ethics and dependability. We will see your installation project through from start to finish. We have worked hard for our spotless reputation and performance record. Go with the installation company you can trust... K&S Erectors.

Need to Install a Paint Booth, Prep-Station or Mixing Room?

Call K&S Erectors today to get that Installation done right. We are licensed and Insured to work on your project and have the proper insurance coverage that many handymen and other installation companies don't have. We guarantee our work and know you'll be satisfied!

K&S Erectors will beat any competitors quote for your installation. Get your other quotes then call us at **877-263-8733**. We will do a better job for the same price or less guaranteed! Big or small K&S Erectors can handle all of your installation needs. With skilled installers and up to date installation techniques, we are the contractors to call for any installation job in the lower 48 states. Call K&S Erectors **877-263-8733**.
